A Christmas Gift List of Books, will be presented by Valerie Koehler of Blue Willow Bookstore. She will delight us with a discussion of books for people who are on our members' gift lists and of books our members might like to receive themselves. She will discuss books such as those for the mystery lover, books for those who like celebrity biographies, modern literature, children's and teen's books, art books, home décor, health and wellness. The books discussed will be offered for sale after Valerie's talk. Join us to hear about some great reading and tick a few items off your gift list. Or treat yourself to a good read for the holidays!
